CHARACTERISTICS OF SPIRITUAL GROWTH:

PART 1

INTRODUCTION

One of the hardest things for people to see in themselves and other Christians is their level of spiritual maturity. Sometimes people measure spiritual maturity by how well or deep a message is preached, or how someone intellectualizes the Word of God. Paul talks about maturity in Hebrews 6:1 and Philippians 3:12-15.

Maturity is the goal of every Christian. How can we know if we're growing as a Christian?
